that by creating a sales page for the brand new book, but do not embrace a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate gross sales pages with different costs on every page. Be certain that your sales copy is exactly the same on each page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum worth is.
