One is to present one thing away for free together with your e-book, corresponding to a beneficial bonus item. Or bundle several ebooks beneath one value, which lowers the worth for each e-book if they had been sold separately.

An efficient technique for determining a worth is to send out a survey to your current customers. If these clients have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the new book, however do not include a price on that page. Make certain your gross sales copy is exactly the similar on every page, and contains your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum price is.

Finally, if you've written a guide that solves a problem or presents a brand new approach, your e-book will usher in both traffic and profits.
