An effective method for figuring out a worth is to send out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion by way of price. Do

that by making a gross sales web page for the brand new e book, but don't embrace a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be certain your gross sales copy is strictly the same on each web page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum price is.

Ultimately, when you've written a ebook that solves a problem or presents a new technique, your e book will herald each site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your e book solves and what the benefits of your 2533 book will probably be to the purchasers who purchase it.
