If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new e book, however don't include a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by making a number of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is precisely the identical on each web page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum value is.

In the end, for those who've written a e-book that solves a downside or presents a new technique, your e book will usher in both site visitors and profits.
