An efficient method for figuring out a value is to send out a survey to your current customers. If these clients have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the new e book, but do not embody a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with completely

different prices on each page. Be certain your gross sales copy is precisely the identical on every web page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum price is.

Ultimately, when you've written a e book that solves a downside or presents a brand new technique, your guide will usher in each traffic and profits. So remember to write that promoting-deal with sentence that sums up what downside your e book solves and what the advantages of your 2601 book will likely be to the customers who purchase it.
