An efficient technique for determining a worth is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion by way of price.

Do that by making a gross sales page for the brand new e-book, however do not embody a worth on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Ensure your gross sales copy is exactly the identical on each web page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum value is.

Finally, in the event you've written a ebook that solves a drawback or presents a new technique, your ebook will herald both traffic and profits. So you'll want to write that selling-handle sentence that sums up what problem your ebook solves and what the benefits of your 362 e-book can be to the customers who buy it.
