and promotional material, and each time anybody asks you about your ebook.

Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with different costs on every page. Make certain your gross sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. This can tell you what your optimum price is.

Finally, should you've written a e-book that solves a drawback or presents a brand new technique, your ebook will herald each visitors and profits.
