Another strategy is to check out costs by creating a number of duplicate sales pages with totally different costs on every page. Be sure your gross sales copy is precisely the identical on each

page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum worth is.

Finally, if you happen to've written a e book that solves a downside or presents a new method, your book will bring in each visitors and profits.
