promotional materials, and each time anybody asks you about your ebook.

An effective method for determining a value is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion when it comes to price. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with different costs on every page. Be certain that your sales copy is exactly the same on every page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum value is.

Finally, if you happen to've written a book that solves a problem or presents a new method, your e-book will herald each traffic and profits. So remember to write that selling-deal with sentence that sums up what drawback your e book solves and what the advantages of your 434 book might be to the purchasers who buy it.
