One other strategy is to check out prices by creating a variety of duplicate gross sales pages with different costs on every page. Ensure your gross sales copy is precisely the same on each page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.

Finally, should you've written a e-book that solves a drawback or presents a new approach, your guide will herald both visitors and profits.
