An efficient approach for determining a worth is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new ebook, however do not embody a worth on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with totally different costs on each page. Ensure that your gross sales copy is strictly the identical on every page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

Finally, in the event you've written a ebook that solves a drawback or presents a new method, your e book will herald both site visitors and profits.
