As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Ensure your gross sales copy is precisely the same on each

web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum worth is.

In the end, should you've written a ebook that solves a drawback or presents a brand new approach, your book will herald both site visitors and profits.
