One other strategy is to test out prices by creating a number of duplicate gross sales pages with totally different prices on each page. Be sure that your sales copy is exactly the same on every web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum price is.

Finally, should you've written a ebook that solves a downside or presents a new method, your book

will usher in both traffic and profits. So be sure you write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 621 e-book can be to the purchasers who buy it. And then watch your market come to you!
