Do this by making a gross sales web page for the brand new guide, however don't embody a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Be certain your sales copy is strictly the identical on every web page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum price is.

Ultimately, if you happen to've written a e book that solves a downside or presents a new technique, your ebook will usher in each visitors and profits.
