One other strategy is to test out prices by creating a variety of duplicate sales pages with completely different prices on every page. Ensure that your sales copy is strictly the identical on each page, and contains your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum value is.

Finally, in the event you've written a e book that solves a downside or presents a brand new

technique, your ebook will herald both site visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 669 e book might be to the purchasers who purchase it. And then watch your market come to you!
