Marketing Methods

The key that unlocks the gross sales potential of your book is to find a single sentence that becomes your selling handle. An efficient approach for determining a worth is to send out a survey to your present customers. If these clients have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the new guide, but don't embody a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with totally different costs on each page. Be sure that your sales copy is strictly the same on each web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum worth is.

Finally, for those who've written a e-book that solves a drawback or presents a brand new method,
