If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by making a sales page for the new e book, however don't embrace a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Make sure your gross sales copy is strictly the identical

on each web page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum price is.

Finally, if you happen to've written a guide that solves a drawback or presents a brand new approach, your e book will usher in both traffic and profits. So be sure you write that selling-handle sentence that sums up what drawback your ebook solves and what the advantages of your 701 ebook will be to the customers who purchase it.
