Another technique is to test out costs by making a number of duplicate gross sales pages with completely different prices on each page. Ensure your sales copy is exactly the similar on each page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum worth is.

Finally, in case you've written a e-book that solves a drawback or presents a brand new method, your book will usher in each traffic and profits.
