One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is precisely the identical on each web page, and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum price is.

Ultimately, when you've written a e-book that solves a downside or presents a brand new method, your

book will bring in both traffic and profits. So make sure you write that promoting-handle sentence that sums up what drawback your guide solves and what the benefits of your 722 e book will be to the customers who purchase it. After which watch your market come to you!
