Do that by creating a sales page for the brand new ebook, however don't embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be certain your sales copy is strictly the same on every web page, and contains your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum value is.

Finally, in the event you've written a guide that solves a downside or presents a brand new method, your guide will herald each site visitors and profits.
