Do this by making a sales web page for the new e book, however don't include a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with different costs on each page. Be certain that your gross sales copy is strictly the same on each web

page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum worth is.

In the end, for those who've written a guide that solves a downside or presents a brand new approach, your guide will herald each visitors and profits. So be sure to write that promoting-handle sentence that sums up what drawback your book solves and what the benefits of your 758 e book will likely be to the customers who purchase it.
