After you determine your aim, you will need to figure out what your audience's need is for your ebook. For instance, does your e book clear up a selected downside? If it does, and solves it in a way that hasn't been written about in one hundred other ebooks, you can be in a position to obtain high gross sales at a excessive price. In case your guide solves an issue or answers questions in a new and unique approach, you should price your ebook as high as you'll be able to go.
