If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the new e-book, but do not embrace a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Be certain your gross sales copy is exactly the similar on every web page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum price is.
