One other technique is to test out prices by making a variety of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is precisely the identical on each page,

and contains your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum worth is.

Finally, if you've written a ebook that solves a drawback or presents a new technique, your ebook will bring in each site visitors and profits.
