Do this by making a sales web page for the new e-book, but don't embrace a worth on that page. Another strategy is to test out costs by creating a variety of duplicate sales pages with different costs on each page. Ensure your sales copy is strictly the identical on every web page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum price is.
