and promotional material, and every time anyone asks you about your ebook.

Do this by making a sales page for the new e-book, however do not embrace a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on each page. Be sure that your gross sales copy is precisely the identical on each page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.
