Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different costs on each page. Be certain that your sales copy is strictly the identical

on every page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum worth is.

Finally, in case you've written a book that solves a drawback or presents a brand new method, your book will bring in both visitors and profits.
