For those who *Scrum A Pocket Guide* worth it too excessive when put next together with your competition, you will see your self steadily decreasing the price, which can cause you all types of new issues within the future.

Choosing the right worth to your **Scrum A Pocket Guide** e-book is among the most crucial components of the marketing process. The first rule of pricing ebooks is to never underprice. Decide the best worth your viewers can afford, and then when you discover your ebook isn't selling, you may all the time scale back the price. Before you're taking that step, be sure to be promoting your Scrum A Pocket Guide e book like loopy on the Internet and on websites. The worth needs to be geared toward bringing in earnings, however you should never forget that price is without doubt one of the components that people use in judging the value of your *Scrum A Pocket Guide* ebook ? before they buy it. So always begin with the very best price, and then launch a mega-advertising campaign.

Pricing an book is particularly troublesome as a result of ebooks are a fairly new commodity. Since they're digital, the value of an book is as complicated because the understanding of what digital actually is to the common layperson. Because of this we must look at ebooks in a unique light with

the intention to determine their precise worth in this brave, new cyber world.

Let's look at the distinction between a e book in print and an ebook. A printed book is an object you'll be able to maintain in your hand, retailer in your bookshelf, even hand down to the following generation. It is priced on components such as paper inventory, design and manufacturing prices, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books which have the ability to change, or presumably rework, people's lives.

What do you think an idea is price when evaluated against the cost of paper and ink?

It's the IDEAS that are beneficial! That's how you decide the cost of your ebook.

What ought to I charge for my concepts?

There are all totally different formulation and strategies for determining the correct value on your ebook. Let's start with honing in on your ultimate goals.

Resolve in case your objective is to get huge distribution and most exposure. This purpose is aimed toward drawing customers to your corporation or service, or to establishing the credibility of your reputation. If that is your major purpose, you need to intention to keep your price on the low side. Some authors have even priced their ebooks at a profit loss to draw a high variety of new customers. The key is to discover a price that maximizes your earnings and the variety of books you sell.

This is a superb pricing technique if you are trying to purchase long-term customers. Long-term prospects are extraordinarily seemingly to buy from you once more and once more ? so long as the first ebook they purchase is of exceptional quality and beneficial to the customer.

Nonetheless, if your guide comprises useful ? and more importantly NEW data, references, or strategies ? then it's best to aim to cost it on the excessive end.

After you figure out your goal, you need to determine what your audience's want is for your ebook. For example, does your ebook resolve a specific drawback? If it does, and solves it in a method that hasn't been written about in 100 other ebooks, you'll be in a position to achieve high gross sales at a excessive price. In case your book solves an issue or solutions questions in a new and unique

approach, you should value your e book as high as you possibly can go. You will obtain bigger profits this manner, however usher in fewer customers. Just make sure the query or drawback that your ebook solves is one that is necessary and relevant to the majority of your market audience. In case your ideas should not frequent data, or you are presenting a brand new method, it is possible for you to to sell books at a high price. Just be prepared for your competition to undercut you on worth as soon as they hear about your book.

Remember that the above pricing technique is temporary. Ultimately, you'll cease to sell books at this excessive price. So figure out upfront how lengthy you plan to supply your e book at this high worth, and when that time is up, change your pricing strategy.

If you want to see giant profits over buyer draw, goal for an audience that is on the lookout for easy options to their issues at a low price. If your guide is aimed toward fixing one particular problem rather than common advice, then you'll be able to cost more. Start at the highest price the market will bear to usher in the largest income, and plan to low cost the e book a number of instances throughout the year.

Advertising Strategies

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that becomes your promoting handle. This sentence states what question or downside your ebook solutions and the advantages your e book can provide. Then remember to use that sentence in every piece of sales and promotional materials, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different methods that can provide help to sell extra books.

One is to give one thing away totally free together with your e-book, akin to a precious bonus item. Or bundle several ebooks below one price, which lowers the price for every book in the event that they have been offered separately.

An efficient method for figuring out a worth is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do that by making a sales page for the new book, but don't embody a value on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with completely different prices on each page. Make certain your sales copy is exactly the similar on

each page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum price is.

Ultimately, in case you've written a guide that solves a problem or presents a brand new method, your e-book will usher in both visitors and profits. So make sure you write that promoting-deal with sentence that sums up what problem your book solves and what the advantages of your *Scrum A Pocket Guide* e book might be to the customers who buy it. And then watch your market come to you!
