Choosing the proper value in your **Solution Manual Chemistry A Molecular Approach** ebook is one of the most important elements of the advertising and marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the very best value your viewers can afford, and then in the event you find your ebook isn't promoting, you possibly can at all times scale back the price. Earlier than you are taking that step, be sure you are promoting your Solution Manual Chemistry A Molecular Approach e-book like crazy on the Internet and on websites. The worth must be aimed at bringing in earnings, but you need to never overlook that value is without doubt one of the components that people use in judging the value of your *Solution Manual Chemistry A Molecular Approach* e-book ? earlier than they buy it. So always start with the highest value, and then launch a mega-advertising campaign.

Pricing an e book is especially troublesome as a result of ebooks are a reasonably new commodity. Since they're digital, the worth of an ebook is as confusing because the understanding of what digital truly is to the average layperson. Which means that we should have a look at ebooks in a special gentle to be able to decide their precise price in this courageous, new cyber world.

Let's look at the distinction between a ebook in print and an ebook. A printed ebook is an object you can hold in your hand, retailer on your bookshelf, even hand down to the following generation. It's priced on components such as paper inventory, design and production prices, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the power to change, or probably rework, individuals's lives.

What do you think an concept is worth when evaluated against the price of paper and ink?

It's the IDEAS which might be priceless! That's the way you decide the cost of your ebook.

What should I cost for my ideas?

There are all different formulas and methods for figuring out the right value on your ebook. Let's start with honing in on your ultimate goals.

Determine if your purpose is to get extensive distribution and most exposure. This aim is aimed toward drawing clients to your small business or service, or to establishing the credibility of your reputation. If this is your predominant aim, it's best to purpose to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to draw a high variety of new customers. The secret's to find a price that maximizes your earnings and the number of books you sell.

This is an excellent pricing strategy if you are looking to acquire long-term customers. Lengthy-term prospects are extremely likely to buy from you once more and again ? so long as the first book they purchase is of distinctive high quality and helpful to the customer.

Nonetheless, if your guide accommodates precious ? and more importantly NEW information, references, or methods ? then you must purpose to cost it on the excessive end.

After you determine your goal, you must determine what your audience's need is for your ebook. For example, does your guide solve a selected problem? If it does, and solves it in a approach that hasn't been written about in 100 different ebooks, you can be able to achieve high sales at a high price. In case your guide solves an issue or answers questions in a brand new and distinctive method, it is best to price your e-book as high as you can go. You'll achieve bigger profits this fashion, however herald fewer customers. Just be certain the query or problem that your guide solves is one which is vital and related to the vast majority of your market audience. If your concepts are not widespread information, or you're presenting a brand new technique, it is possible for you to to sell books at a excessive price. Just be prepared in your competition to undercut you on value as quickly as they hear about your book.

Take into account that the above pricing strategy is temporary. Finally, you will cease to sell books at this high price. So work out in advance how lengthy you plan to supply your e-book at this excessive price, and when that point is up, change your pricing strategy.

If you wish to see giant income over customer draw, aim for an audience that is on the lookout for straightforward solutions to their problems at a low price. In case your ebook is aimed toward fixing one particular downside quite than normal recommendation, then you'll be able to cost more. Start on the highest value the market will bear to usher in the largest earnings, and plan to low cost the guide a variety of occasions throughout the year.

Advertising Methods

The key that unlocks the gross sales potential of your book is to find a single sentence that turns into your selling handle. This sentence states what query or downside your e book solutions and the benefits your e book can provide. Then be sure you use that sentence in every piece of gross sales and promotional materials, and every time anybody asks you about your ebook.

Moreover selling your books assiduously on-line, there are several other methods that may assist you promote more books.

One is to offer something away without cost along with your e-book, akin to a precious bonus item. Or bundle a number of ebooks beneath one price, which lowers the value for every e book in the event that they had been sold separately.

An efficient approach for determining a worth is to send out a survey to your present customers. If these customers have already purchased an book from you, ask for their opinion by way of price. Do this by making a gross sales page for the new ebook, but do not include a worth on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with totally different prices on each page. Be sure your sales copy is exactly the identical on every web page,

and contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This will inform you what your optimum price is.

Ultimately, in case you've written a e-book that solves a downside or presents a new approach, your e book will bring in each site visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your book solves and what the advantages of your *Solution Manual Chemistry A Molecular Approach* e book shall be to the purchasers who purchase it. And then watch your market come to you!
