One other technique is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Be certain your sales copy is strictly the same on every

web page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.

Finally, if you happen to've written a guide that solves a drawback or presents a brand new approach, your guide will usher in both site visitors and profits.
