Start at the highest price the market will bear to bring in the largest income, and plan to low cost the ebook a variety of times throughout the year.

Advertising Methods

The key that unlocks the gross sales potential of your book is to discover a single sentence that turns into your promoting handle. This sentence states what query or downside your book answers and the advantages your e book can provide. Then you'll want to use that sentence in every piece of gross sales and promotional material, and every time anybody asks you about your ebook.

Besides promoting your books assiduously on-line, there are a number of different methods that may help you promote more books.

One is to offer something away without cost with your ebook, such as a priceless bonus item. Or bundle a number of ebooks underneath one value, which lowers the value for each e-book if they had been sold separately.

An effective approach for figuring out a worth is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the new e-book, but do not include a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with different costs on each page. Make sure that your gross sales copy is exactly the identical on each

page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.

Finally, if you've written a book that solves a drawback or presents a brand new method, your ebook will bring in both visitors and profits. So make sure to write that selling-handle sentence that sums up what problem your e-book solves and what the advantages of your *Tekla Structures 20 0 Training Manual* e book shall be to the shoppers who purchase it.
