But the fact that unites ebooks and print books is that they are composed of ideas. It is the concepts in these books which have the flexibility to change, or possibly remodel, individuals's lives.

What do you assume an idea is price when evaluated towards the cost of paper and ink?

It is the IDEAS which can be valuable! That is how you decide the cost of your ebook.

What should I charge for my ideas?

Determine in case your objective is to get extensive distribution and maximum exposure. This objective is geared toward drawing prospects to your enterprise or service, or to establishing the credibility of your reputation. The bottom line is to discover a worth that maximizes your income and the number of books you sell.

This is a superb pricing strategy if you are trying to acquire lengthy-term customers. Long-term

clients are extremely doubtless to purchase from you once more and once more ? as long as the first book they purchase is of exceptional quality and useful to the customer.

However, if your e-book contains precious ? and more importantly NEW data, references, or techniques ? then you need to goal to cost it on the excessive end.

After you figure out your objective, you could work out what your viewers's want is in your ebook. For instance, does your e-book clear up a particular drawback? If you want to see massive earnings over buyer draw, purpose for an viewers that's looking for easy solutions to their problems at a low price. If your e book is geared toward fixing one explicit

drawback somewhat than normal advice, then you may cost more. Start at the highest worth the market will bear to herald the largest profits, and plan to discount the guide a variety of instances throughout the year.

Advertising Methods

price. Do that by creating a sales web page for the new e book, but do not embrace a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Ensure your gross sales copy is exactly the identical on each web page, and includes your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum worth is.
